makes a difference

CLEANING WITH FULL STEAM

A steam cleaner and wet vacuum in one.

SGV 6/5 STEAM VACUUM CLEANER

Hygiene, non-stop.

The easy-to-use SGV 6/5 steam vacuum cleaner offers hygienic cleanliness. A single machine that is a steam cleaner and wet vacuum cleaner in one. With EASY Operation switch, secure accessory integration and hand tool for controlling the steam/vacuum function.

1 Extremely user-friendly thanks to EASY Operation

- One turn switch for all functions. Simple and quick handling, with no need for extensive training.
- Self-explanatory symbols make the machine easy to understand and simplify operation.

2 Handle with trigger for convenient function control

- Time-saving, flexible, simple and direct control of the functions during operation.
- Controls for the most important functions such as water/steam regulation and an on/off switch for the vacuum function.
- Accessories are stored for easy access and protected against loss. Carrying handle for easy removal of nozzle accessories.

3 Cleaning without chemicals

- Hygienic cleaning of hard surfaces without the use of chemical substances.
- Dispensing with the use of chemicals protects the environment and saves costs.
- Easy removal and disposal of dirty water without direct contact.
