Customized, Trailer-Mounted Hot Water Pressure Washer System

- Single Axle
- Customized Hot-Water Pressure Washer
- 3,000 lb Load Capacity
- 200 Gallon Water Tank
- Swing-Away Tongue

TRV-3500 Trailer
Shown with pressure washer and options

- 200-gallon white **High-Density Polyethylene Water Tank** comes standard with the trailer and features a 7-inch access port plus a 2-inch drain plug, 3/4-inch float valve, and a 50-mesh outlet filter.
- Innovative **Dual Drain System**. Primary drain for easy daily use purposes. Secondary drain allows tank to be emptied when winterizing the unit.
- 3-way ball valve makes it easy to **Switch Water Sources** from the holding tank to direct water feed from a hose faucet.
- Made of durable 14 gauge steel, **Optional Rear-Mount Utility Rack** and **Side Saddle Boxes** provide generous tool storage.
- **Optional Hose Reels** hold up to 150 ft. of high-pressure hose and quick connects to chassis.
- Wheel and axle assembly features an **Industrial Undercarriage** leaf-spring suspension of up to 3,000 lbs. with 15-inch, white rimmed wheels and sturdy fenders.
- The single-axle trailer comes with standard **Electric Brakes with Break Away Kit** or optional hydraulic brakes.
- Made to handle up to 1,000 lbs, the swivel jack **Trailer Tongue Assembly**, with a 2-inch ball coupler for quick and easy hookup of the trailer. Two 5/16-inch chains are also included for additional safety.
- Durable **Swing-Away Tongue** (rated for 3,500 lbs) allows trailer to be stored in smaller area.
- Made of extra-durable 2-by-4 inch, 10-gauge formed channel, and covered with a powder-coated epoxy black finish for weather protection; this **Heavy-Duty Chassis** features recessed lights with all electrical wiring recessed within the frame.

WHY CHOOSE THE TRV TRAILER?

Landa has made customizing a trailer-mounted wash system for on-site cleaning an easy two-step process.

Step 1: Select from five series of portable, self-contained, industrial-grade, hot-water pressure washers.

Step 2: Add any options and accessories, such as hose reels, rear utility rack, side saddle tool boxes, etc. to enhance the performance.

The TRV-3500 trailer is made of extra-rugged 2-by-4 inch, 10-gauge formed channel. The wheel and axle assembly feature leaf-spring suspension of up to 3,500 lbs. and 15-inch, white rimmed wheels. A powder-coated epoxy finish gives the entire package added weather protection.
